## Spring 2021 Newsletter

### **Appointment of a New Parish Clerk**

The parish council are pleased to welcome Bev Walton as the new Clerk with effect from 1 April 2021.

A message of appreciation is extended to Julia Staniforth who has been in post since 1 July 2007 for her service to the council. The contact details for the Clerk are unchanged.

### **2021/22 Precept – Annual Review from 1 April 2021**

The parish council determined that the 2021/22 precept payable by most residents should not increase. Unlike many parishes the tax base for the parish has increased by 1.99% due to additional properties etc. so the total amount that can be raised with no increase to properties in Band D and below will increase to £41,800. This provides for an additional £800 on the previous year towards the cost of inflation.

### **Election of New Parish Councillors in May 2021**

The government has announced that it is intended to proceed with the local elections on 6 May 2021. There are seven parish councillors and those elected will serve for a four year term of office. More information on the role and responsibilities of local councillors is contained in a separate article in the magazine.

Doncaster Council will be responsible for publishing the necessary details which should be contained on their website and information will be included on the parish council website.

### **Provision of New Illuminated Christmas Trees**
