

**CANTLEY WITH BRANTON PARISH COUNCIL**  
**SEPTEMBER 2017 NEWSLETTER**

**1) Parish Council Meetings – New Starting Time of 6.30 p.m.**

Parish council meetings will now commence at 6.30 p.m. and members of the public are welcome to attend with up to thirty minutes available for public participation at the start of the meeting prior to formal business commencing.

**2) Update on New Outdoor Equipment at Kilham Lane Recreation Ground**

The plans for the new equipment have now been finalised and DMBC is arranging tenders to procure the supplier of the equipment. Due to unforeseen circumstances it has not been possible to take delivery of the items for the summer holiday period but all work should be completed before the end of autumn and may therefore cause some disruption to the use of the ground at October half-term. Due to comments made by Sport England in respect of the planning application for a Multi Use Games Area (MUGA), DMBC in consultation with the parish council has withdrawn the planning application with the intention of the application being resubmitted as and when funding becomes available.

**3) Provision of a Defibrillator**

Following discussions and the agreement of Kilham Hall Management Committee to contribute to the project the parish council has obtained costs and information on locating a defibrillator on the site of Kilham Hall Community Centre in order to give round the clock access.

**4) Parking on Grass Verges at Valley Drive**

Following planning consent being granted quotations are being sought for the cost of fencing and/or wooden posts to deter parking on the verges opposite the school particularly at the beginning and end of the school day. Unless costs are prohibitive it is hoped that the work will be undertaken in the near future.

**5) New Website ([www.cantleywithbrantonparish.co.uk](http://www.cantleywithbrantonparish.co.uk))**

A new website has been commissioned with additional information about the parish which will be updated to reflect changes that take place. The picture currently displayed on the homepage will be replaced by a photograph of the Old Mill which a resident has kindly agreed to supply. If anyone has any old photographs of areas in the parish or any information that give information about the parish and its history please forward these to the Clerk at [cwbpc@outlook.com](mailto:cwbpc@outlook.com) for consideration by the parish council.
